RELATIONAL SKILLS

· Both the activities carried out as part of my professional training and leisure activities are often centered on strong teamwork: this has allowed me to develop a strong ability to act in a group and good communication skills.

· In the hospital environment I have also developed the ability to relate to the most experienced people by learning respect and collaboration towards them.

· My experiences as a trainee have increased my awareness of the vocation of my profession and the need to be ready to make a diagnosis as immediate as possible.

ORGANIZATIONAL SKILLS

All the activities carried out as part of my professional training require organizational and operational skills. Furthermore, in my study commitment I have developed analysis, synthesis and problem solving skills.

During the university period I had some short work experiences in various fields.

**COMPUTER
SKILLS**

Good knowledge of software for the analysis of diagnostics through medical images.

Programma

Attività proposte nel biennio:

- Richiesta agli associati lombardi (*contattati mediante mailing-list in possesso di SIRM*) di **comunicare direttamente alla Responsabile** eventuali problematiche o eventi organizzati nelle diverse aree o temi concernenti la attività professionale radiologica;
- **forum dedicato**, su un sito web istituzionale, e saranno oggetto di valutazioni ad hoc.
- Lo stesso **forum** fornirà ai Radiologi LP informazioni su novità legislative e previdenziali
- ampliare la collaborazione tra i professionisti dei diversi istituti e/o ambulatori al fine di avere un costante confronto tra le diverse realtà e rimanere sempre aggiornati pur avendo fatto scelte diverse
